

Virtualization, Control, Freedom

Microsoft Virtual Dedicated Server enables customers to run multiple operating systems concurrently on a single physical server, providing for much more effective utilization of the underlying hardware. Microsoft Virtual Server 2005 R2 is a product optimized provides a visualization platform that runs major x86 operating system in a guest environment, and as a host for Windows Server operating systems and Windows Server System applications.

Virtual Dedicated Server Plan	
HardDisk	80GB Disk Space (Upgraded!)
RAM	800MB RAM (Upgraded!)
RAID Support	RAID1 (Mirroring) (FREE Upgrade)
Bandwidth Transfer	150GB Transfer/Month
IP Address	1 Dedicated IP
Remote Access	Remote Access Desktop
OS Updates	OS Updates/Patches
Preinstalled Operating System	Windows 2003 Server R2 Enterprise Edition

Features

Virtualization

Broad x86 guest operating system compatibility: Runs most major x86 operating systems in the virtual machine guest environment.

Resource Management

CPU resource allocation: Supports both weighting and constraint methods for fine grained control.

Integrated Innovation

Operating system support: Microsoft extensively tests Virtual Server in conjunction with Windows Server 2003 and Windows 2000 Server.

Ecosystem Support

Management interface: Comprehensive COM management interfaces are published and utilized by management tool vendors.

Benefits

1. Virtualization for operating system and application isolation on a fully tested and qualified Microsoft stack.
2. Flexible clustering scenarios provide high availability for mission critical environments while improving patching and hardware maintenance processes.
3. Policy-based control for balanced workload management.
4. Comprehensive testing and support for Virtual Server in conjunction with Windows Server operating systems and Microsoft server applications.

Note:

1. One time setup fee of RM398.
2. Minimum 12 months contract for all Virtual Dedicated Servers.
3. If pay on a yearly basis of RM 298/mth.
4. If pay on a monthly basis of RM 398/mth.
